### Information Requests and Inspections

- EPA has issued a number of information requests regarding PFAS, including:
  - Five CWA information request letters since November 2018 regarding discharges of PFAS from manufacturing or processing facilities;
  - Thirteen TSCA information request letters since January 2019;
  - One CERCLA information request letter in November 2017; and
  - One RCRA information request letter in April 2018.
- OECA, with support from its National Enforcement Investigations Center and Regional enforcement divisions, has carried out eleven inspections at eight PFAS manufacturing or processing facilities since July 2017, under the authority of TSCA, CWA, and/or RCRA, including joint inspections with states.

## Ex. 5 AC/AWP/DP & 7A

- OECA created a PFAS page on the federal agency compliance assistance website, FedCenter, where federal agency PFAS contacts can share information and find resources.
